

YOU asked..... WE answered!

“Why do we sell raffle tickets and have fundraising events?”

We answered:

We have been very fortunate to have Katie and others in years before that make a quilt that has become our annual quilt raffle event to help us with funds to host our annual Corn Carnival celebration. Our annual fundraising dinner that we host in March or April also helps us with funds to make Corn Carnival happen. It takes a lot of money to put on this event that the general public probably does not see. Advertising, the Grand Parade, event expenses, etc. all go into our budget each year. See another FAQ question below to take a look at what it costs to put on our annual event each year.
