

# YOU asked..... WE answered!

## *“Where do I find schedules and information?”*

We answered: There are lots of ways to gain schedules and information.

- The most up-to-date information (as slight changes will continue in the coming weeks) is to check out the Corn Carnival website at: **[gladbrookcorncarnival.org](http://gladbrookcorncarnival.org)**
- We also have a Facebook page that will have information posted in the coming weeks. Like our page and join the group.
- There are currently small red rack cards available at surrounding area Chamber of Commerce offices as well as tourist attractions. They are currently outside of the Matchstick Museum if you want local access.
- By the middle of May, there will be paper flyers in businesses throughout the surrounding communities that may be picked up listing events as well as donators who help make this annual event possible. One of these may also be coming home in your child's book bag from school as well.
- By early June, you will start to see posters hanging in businesses as well as ads placed in area papers listing all the events that you can participate in.

Radio ads are also run on local stations with information on events as well as interviews regarding some of those. Tune in to your favorite listening station.
