

# You asked....We answered!

“Why do we sell raffle tickets and have fundraising events?”

## We Answered:

We have been very fortunate to have local residents in years prior make a quilt. This has become our annual quilt raffle event to help us with funds to host our annual Corn Carnival celebration.

Our annual SxS ride that we host once a year also helps us with funds to make the Corn Carnival happen.

It takes a lot of money to put on this event that the general public probably does not see.

Advertising, the Grand Parade, event expenses, etc. are all things we take into account with our budget each year. We are very appreciative of all the sponsors that donate to carnival and help make it possible.
